FOREWORD

We are about to begin a long journey. Each of us is standing at a crossroads, waiting for transportation that will carry us in many directions out into the roads of life. Many will take different roads, some will be difficult, some will be easy; but basically they will be the same—for they are Life. It is the sincere desire that each sign post, each curve, and each direction will be a guide carrying us back to the cherished and beloved days spent in Marion High. If this and this alone is realized, we, THE SWAMP FOX Staff of 1951, shall feel that we have succeeded.

MISS GRACE JOHNSON

DEDICATION

We, the Senior Class of 1951, take much pride in dedicating this issue of THE SWAMP FOX to Miss Grace Johnson for her incessant contributions and her personal ideals which have been an inspiration to each of us. Her numerous and unequaled abilities, the willingness with which she has rendered her service, the encouragement she has given us, and her admirable character make her a person whose memory we shall always love and cherish.

Is there French news in the "Marion Star", MISS JOHNSON?

SWAMP FOX STAFF

Despite major and minor catastrophes, broken cameras, "retake" pictures, and a spirit of procrastination by staff members, we laid our 1951 Swamp Fox before the printers on January 30. Lights burned long and brightly in the lab-turned staff room. Things were continually buried, recovered, and re-written. In this room of vast confusion, activity, and final achievement the 1951 Swamp Fox came into existence.

FOX TALES STAFF

The Fox Tales, Marion High School's student paper, is published monthly. The Editor, who is elected by the student body, and the Faculty Advisor, select the remainder of the Staff. The aim of the paper is to keep the students informed on all school events. *The Fox Tales,* a member of the South Carolina Scholastic Press Association, exchanges papers with thirty other schools in South Carolina.

STUDENT COUNCIL

The Student Council is an honor organization composed of the president, the vice-president, and secretary-treasurer of the Student Body along with the class presidents and homeroom representatives. It is the duty of the Council to promote cooperation between students and faculty, to encourage students to strive toward worthy ideals, and to build strong characters.

This year the Council has sponsored a series of programs emphasizing prayer and world peace.

BETA CLUB

The Marion High School Beta Club whose aim is to promote scholarship, leadership, and character was organized here in 1944, and since that time it has steadily grown to become one of the leading organizations in the school. This year the club is honored by having one of its members serving as president of the State Beta Club. In order to raise money for the state convention the Beta Club sponsored a series of radio programs. To encourage scholarship they presented a scholarship banner to the homeroom having the greatest number of pupils on the honor roll. In February they sponsored the annual Hearts Ball and featured the Apollo Chorus in a spring concert.

JUNIOR HOMEMAKERS ASSOCIATION

The Marion J. H. A. has a record number of members this year. The club has taken part in all district contests and activities. They attended the State Fair in Columbia and sent representatives to the Leadership Training Weekend at Ocean Drive and to the State Meeting held at Winthrop College. Last summer the J. H. A. contributed a large sum of money to the J. H. A. Camp.

BLOCK M CLUB

The Block "M" Club is composed of all those who have earned letters in any sport, plus the cheerleaders. It is the goal of this club to encourage all students to participate in at least one sport, emphasizing sports as a necessary. This year the Block "M" Club also was in charge of selling tickets for the Tobacco Bowl Game.

GLEE CLUB

The Senior Glee Club, under the direction of Miss Patty Edwards, received an "A" rating at the district music festival in Florence and the state festival at Winthrop College last year. This year they presented a Christmas Cantata in Marion and in Mullins.

The Junior Glee Club was organized especially for those girls not old enough for the Senior Glee Club. It is a club in which the younger girls receive musical instruction which later enables them to participate in the work of the Senior Glee Club. These girls have learned many beautiful songs which they presented on several occasions last year.

MARION HIGH

MR. MIDDLETON

This is the first year in the history of Marion High School that there has been a marching band. The fifty-piece band, under the direction of Mr. Hal Middleton, played and executed maneuvers at the home and out-of-town football games. They also marched in many local and out-of-town parades. The highlight of the year was their performance at the Shrine Bowl Game where they and five other bands furnished the half-time period maneuvers.

The Marion band participated in the District Music Festival in Florence and made a rating of one-plus. Thus, they were the only band from this district to take part in the State Music Festival which was held at Winthrop.

The annual spring concert was presented by the concert band before a capacity crowd.

The light but fast Marion Fox Varsity Team had its toughest games at the top of the schedule as they took a slight setback from Dillon on the first game of the season. They came right back, though, in their next game to meet the powerful Darlington squad who won only a hair-raising one-point margin. The out-weighed Foxes made a very good showing in their next game against the tough odds of Conway's Class AA team. On their first home game of the season they rallied to break into the win column by defeating The Myrtle Beach Seahawks by a score of 19-7. The Foxes made the best showing in many years against their traditional rival—Mullins. Mullins eased forward in the first half with a two-touchdown lead but in the next half they were decidedly outplayed by the Marion team. Despite this excellent second-half playing the Foxes never overcame the lead piled up by Mullins during the first half, leaving the score at 26-13. The Foxes really moved forward into the win column as they took the next four games straight. They took two of these games leaving their opponents absolutely scoreless. The Foxes proved their worth when they took on The Aynor Blue Devils despite the fact that they at that time held the Lower State Class A Championship. They held this Championship team to a one-touchdown lead with a score of 19-12. The Foxes thus ended their first season under the excellent coaching of Lyon and Evans with an accreditable 50-50 record of wins and losses. Our hats off to you boys!

This year is the first year that Marion has had a "B" Team in football. This accounts for the fact that they were up against such odds and tough competition. None of the seventeen boys who went out had ever played any organized football before but under the excellent leadership of Coach Mabry they have come a long way toward mastering this art. These boys are the ones who will be in the headlines of varsity ball in the next year or two, and they deserve credit for their efforts.

The 1950-51 Lassifoxes began this season with an inexperienced team having lost four of their regular players from last year; however, they defeated every team they played this year and had an excellent record. Mullins defeated Marion in the district finals.

The starting line up was as follows: *Forwards*: Joan Smith, Margaret Jones, and Betty Rose Foxworth. *Guards*: Peggy Ray, Wilmarie Huggins, and Joan Dickens. (Joan Smith and Joan Dickens received all-state honors.)

Since Joan Smith is the only starting player who will graduate, there is a promise of a winning team next year.

The Foxes of 1950-51 broke their record by winning District "B" Championship. In reaching the district final Marion had won only five of their regular season games and added one more in the district tournament.

The starting line up was as follows: *Forwards*: William Nettles, Charlie Rosson, and Bobby Baker. *Guards*: "Skeeter" Richardson, Myles Snipes, and Cecil Snipes. *Center*: Dick Rogers (who made all-state).

Basketball was started in Marion in 1936, and this is the first time in history Marion Foxes have even won district.

Coach Lyon has worked hard with the boys and Marion High School is justly proud of its boys' basketball team.

The Marion High School Midget Girls' Basketball Team looked good in their first two games of the season against the much more experienced Mullins Midget Team losing by only a few points both times. There are over fifteen girls on the squad under the competent leadership of their new coach—Miss Harrison. Practically all of these girls with whom Miss Harrison is working have never played any basketball before, and are not only learning the rules and regulations but are also getting the experience in teamwork and sportsmanship that is always essential. These Midget teams also merit importance because of the interest that is developed in the sport.

Their opponents for the '51 season were as follows: Mullins, Lake View, Dillon, Florence and Conway.

This is another team that is having its first appearance at Marion High School. The "B" squad basketball, headed by Coach Mabry, promises to really be a success as they started off their season with a 21-7 victory over Mullins. Most of the 12 boys who are out have never played any organized basketball and this is really an opportunity for them to get in there and find out what it's like. This experience and knowledge that they gain proves invaluable when they move on up into varsity ball and Coach Mabry knows how to give it to them.

Varsity baseball promises to be a top-flight sport at Marion High School in '51. Coach Lyon, with the same know-how and leadership that he demonstrated in football and basketball, will be top man as the boys take their positions on the diamond in the Spring.

Even though three first-string men graduated last year, there are still eight lettermen to seek positions this year. The duty of pitching will probably be pretty well split between Chandler Bryan and Charlie Rosson. Charlie will also fill in as shortstop if it is decided by past experience. Keith Hood and Philip Ricks who were rivals last year to hold first bag will probably be battling again this year. If the other four letter winners take their same positions, "Skeeter" Richardson will hold second, Ellie Gasque will be stationed at third, and Myles Snipes and Jackie Oulla will be in the outfield. With this staff of experienced players and the outstanding leadership of Coach Lyon, Marion High baseball ought to be seen in the win column consistently.
